

# Child Development & Caregiving 12

**Learning Outcomes:** The activities in this course are based on the core competencies and curricular competencies as provided by the Ministry of Education of BC. The focus of the course will be on applying the information you learn in addition to analyzing and thinking carefully about it.

View the complete Ministry of Education learning outcomes for this course: [Child Dev & Caregiving 12](#)

**Resources:** All resources are provided within the course. Students will need good access to the Internet and will be required to use online tools.

**Communication:** Assignments are submitted directly through your course. Constant communication with your teacher is key to success in a DL course. Phone or email or message your teacher for help whenever necessary.

**Goal Setting:** This course is self-paced and self-directed. Students should plan on working 5-6 hours a week on this course. It is highly recommended that the student creates a calendar of monthly, weekly and even daily goals. Contact your teacher if help is needed doing this.

**Learning Guides/Projects:** Print out unit learning guide, complete and upload in pdf form. Once mastered, select and complete a unit project, then upload in pdf form. Please ensure these are neat and organized. Learning guides must be submitted before writing unit exams.
